

Arista Access Switch Mumbai Alarm SOP - ALARM_7594

Node: Arista-Access-Mumbai-MH-36 | **Vendor:** Arista | **Severity:** Critical | **Alarm Code:** ALARM_7594

Description

This SOP outlines the steps to diagnose and resolve the ALARM_7594 on the Arista Access Switch Mumbai located at Node ID: Arista-Access-Mumbai-MH-36.

Potential Root Causes

Cause	Probability
Hardware Failure (High Probability)	High
Software Bug (Medium Probability)	Medium
Configuration Error (Low Probability)	Low

Diagnostic Commands

```
show version
show inventory
show log messages | grep ALARM_7594
show interface all | grep error
```

Resolution Steps

- Step 1: {'Step': '1. Power Cycle the Device', 'Description': 'Power cycle the Arista Access Switch Mumbai to reset the device.', 'CLI_Commands': []}
- Step 2: {'Step': '2. Check Hardware and Software Versions', 'Description': 'Verify that the device is running the latest software version and has not expired.', 'CLI_Commands': ['show version']}
- Step 3: {'Step': '3. Check Log Messages', 'Description': 'Analyze log messages to identify any error patterns or clues about the root cause.', 'CLI_Commands': ['show log messages | grep ALARM_7594']}
- Step 4: {'Step': '4. Check Interface Errors', 'Description': 'Verify that the interfaces are not experiencing any errors or issues.', 'CLI_Commands': ['show interface all | grep error']}
- Step 5: {'Step': '5. Run Diagnostic Tests', 'Description': 'Run diagnostic tests to identify any hardware or software issues.', 'CLI_Commands': ['diagnostic test hardware', 'diagnostic test software']}
- Step 6: {'Step': '6. Check Configuration', 'Description': 'Verify that the configuration is correct and has not been altered.', 'CLI_Commands': ['show running-config']}

Step 7: {'Step': '7. Factory Reset (If Necessary)', 'Description': 'If the issue persists, consider performing a factory reset.', 'CLI_Commands': ['request system reset']}

Post-Check Verification

```
show version
show log messages | grep ALARM_7594
show interface all | grep error
show running-config
```
